Oral Order:

The petitioner is a charitable institution governed by the provisions of A.P. Charitable and Hindu Religious Institutions and Endowments Act, 1987. The petitioner alleges that the first respondent is undertaking road widening programme. On 28-8-2005 the officials of the first respondent demolished some shops in the petitioner—Dharmashala and Temple without following due

process of law. It is also alleged that on 4-9-2005 the officials of the first respondent again demolished some more shops. Therefore, they filed the writ petition seeking that the action of the respondents in demolishing the shops is illegal and arbitrary.

Heard Smt.Jyothi Kiran, learned Standing Counsel for Municipal Corporation of Hyderabad.

In **P.Lakshmana Rao v. Executive Officer**, a Division Bench of this Court issued directions to be followed by Municipal authorities, Panchayat authorities and Revenue authorities for acquiring the land for public purpose. Having regard to the decision of the Division Bench, I have considered similar issue in a number of writ petitions and culled out various principles of law to be followed by the Government while acquiring/utilizing the private land for road widening. The principles were reiterated by Hon'ble Sri Justice B.Sudershan Reddy in **M.Madhavi Latha v. Rajendranagar Municipality**. The principles laid down by the Division Bench are as follows.

(1). Where a property is required for public purpose viz., widening of roads or for any other purpose, the authorities straightaway cannot take law into their hands and jump into the premises, dispossess or evict the occupants or demolish the property.

(2). If the authorities concerned want to take action for eviction/dispossession of the occupants or demolition, they shall issue 60 days' prior notice notifying as to the nature of the property, the property to whom it belongs and the proposed action calling for explanation/objections, if any, from the occupants. On receipt of such objections, if there is any objection as to the ownership of the property, the authorities should determine the extent of encroachment or unauthorised occupation and also determine whether the property in question belongs to Government/any other local self Government or authority or the occupants and pass appropriate orders within three months from the date of receipt of the objections, after affording an opportunity of being heard to the occupants.

(3). In case where demolition of private property has already been made, the authorities shall determine the damages on the basis of the assessment to be made by the Engineer of the Roads and Buildings Department and disburse the amount of damages quantified forthwith.

(4). If the demolition is in respect of local bodies' Government property, the question of damages does not arise. In such an event, the occupant shall be entitled to remove the material used for the construction.

(5). In case of demolition of private property, the authorities concerned shall determine the loss caused to the occupants on the basis of the assessment to be made by the Engineer of R&B Department and on such assessment of damages, the concerned authorities shall take appropriate steps to disburse the amount quantified forthwith.

(6). If there is any claim for grant/assessment of the property, the concerned authorities shall consider the same in accordance with law taking into consideration the eligibility and the entitlement of occupants, after making enquiry and till such claim is decided, there shall be status quo obtaining as on today regarding the structures.

The writ petition is disposed of as above directing maintenance of status quo as on today. No costs.
